Hartford	N/A
Monadnock	N/A

JV Jamboree John Stark to try and host they will let us know ASAP if John Stark is unable to host then Epping said they would try to host.

All State selections will be done by the opposing team after each game a minimum of 2 but not more than 3 can be selected. The weekly selection will be sent to Shawn along with the scores for each game. The votes will be tallied at the year end meeting for the GSFL. Each team must submit their roster to Shawn the Friday before the first game of the season. The roster will show Varsity/ JV and any swing players if the numbers allow. And also include the player's jersey numbers as this will be used for all state selections. Any changes to the roster such as a player moving between JV & Varsity or a player changing numbers needs to be given to Shawn for updating on the website to make sure the correct player is getting the all state votes.

The JV Rosters on the website is what will be used for the JV Jamboree so it is important that any changes during the season are updated on the website

Addendum added on 9/30/10 per GSFL Rules Committee:

JV rosters are set as posted on the "Web Site". Any changes which involve a non posted JV player playing in the JV game must be approved by the opposing team prior to the game. Any violation of this rule will cause a forfeit of the JV game and also a forfeit of the Varsity game if the player in question played in the Varsity game as well.

Permanent changes to the JV list once the season starts must be Communicated and approved by the league board of directors and then posted on the Web Site.

Next meeting TBD sometime in early Dec
