Item #2 Schedule

Sam went over the new schedule and explained it was changed to let Monadanock back in the league. The new schedule has been posted on the website. The only change to be made is that the varsity playoff games are to be played on Sunday and the junior varsity playoff games are to be played on Saturday. The reason for this is in case a team has one coaching staff for both teams it will eliminate any conflicts.

Item #3 Swing Players

The topic of swing players was brought up. Last year Dave put together a summary of the meeting minutes that discuss swing players. Bob will get that summary posted on the website for all to review to avoid any confusion this season

Item #4 All State Players

All State selections will be done the same way as last season. Each team will choose up to 3 players from the opposing team they played that week and submit them to the website when they submit the scores. The votes will be tracked on the website during the season.

Item #5

Rosters for varsity and junior varsity are to be submitted to the website no later than 8/24/11
