-Discussion of by-laws

-Carl condensed previous revisions into the current by-laws, eliminated contradictions

-Any games that end in a tie score at the end of regulation must be decided by NHIAA overtime rules (10-yard in)

-Discussion on swing players

-If, after week 5 when JV playoff rosters are set, a team has injuries that bring the JV roster to fewer than 16, that organization may move up 6th graders to fill out the roster. They shall contact the opposing coach to inform him of the changes. **-Discussion tabled until summer meeting**

-Dave asked each organizations where they were at with sign-up numbers for the upcoming season. Several teams had not held signups yet. Most were confident that swing players would not be needed to fill their rosters. Con-val was hopeful that they would field two teams this season.

-Discussion on All-State selections

-Several teams failed to submit All-state votes for the 2014 season

-If a team fails to submit All-State picks for a game, neither team in that contest receives All- State votes for that game.

-Each team shall submit 3 All-State nominations from the opposing team after each game, one of the nominations must be a lineman.

-Coaches shall make contact with the opposing coach by Wednesday before the game.

-Discussion on game cancellations

-If there is potential for game cancellation due to weather, the host coach should make contact with the visiting coach as early as possible, but no later than Friday to notify them of the situation. No deadline for cancellation was decided. **Discussion tabled until summer meeting**
